Dear Customer:

The attached Price Listing is an addendum to our revised St. Clair Technologies, Inc./Allison World Transmission and 1000/2000/2400 Wiring Harness Parts Catalog.

The Price Listing includes all parts found in the catalog, both individual components and component kits. We have recently updated to include the new Allison GEN4 service parts. All kits listed in the attached pricing list may not be available at all times; our Customer Service Representatives will confirm all orders. All pricing indicated is in U.S. Funds and maybe subject to change at anytime.

A minimum buy order value of \$75.00 is required with net payment terms of 30 days. Any orders with a destination outside of North America payment terms are prepaid. FOB Point is Wallaceburg or Owen Sound.

When ordering, please reference the St. Clair # for most efficient processing. If you have any questions, please contact your usual Customer Service Representative.

The following terms apply to all component service kit orders:

*St. Clair Technologies Inc. expressly warrants all Components/Service Component Kits to AIAG commercial specifications. Components and component kits are non-returnable.*

*Neither party shall be liable for a failure to perform that arises from causes or events beyond its reasonable control and without fault or negligence, including but not limited to acts of God or the public enemy, actions by any governmental authority, fires, riots, wars, sabotage, labor problems, (including lockouts, strikes and slowdowns), or inability to obtain materials. The affected party shall give written notice of such delay, including the anticipated duration thereof, to the other party within 5 days of the beginning of the delay. If the delay lasts more than 30 days or St. Clair Technologies Inc. does not provide adequate assurances that the delay will cease within 30 days, Buyer may immediately cancel this order without liability.*

*In the event St. Clair Technologies Inc. fails to meet the agreed upon delivery requirements for reasons other than those specified in paragraph 1 above, and Buyer requires a more expeditious method of transportation for the goods (other than the transportation method originally specified), St. Clair Technologies Inc. shall ship the goods as expeditiously as possible at the Buyer's specified mode of shipment.*

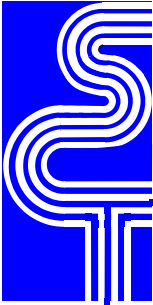

ISO/TS 16949:2002 & ISO-14001:1996 certified. NAICS 33632

To order your service parts, FAX, or e-mail your order to:
